Dear Messrs. Rogalski and Manjarrez,

I am now going to resume my explanations of the aggravated crimes committed by McDonald's Corporation and/or its affiliated companies and/or its suppliers.

Please accept my apologies for the delay in keeping explaining to you the aggravated crimes McDonald's Corporation and/or its affiliated companies and/or its suppliers have committed.

At least one of the reasons for the delay is that on October 10, 2021, I was assaulted by at least 2 men in the streets of Taiyuan, Shanxi province, China.

Yours sincerely,

LE CORRE Vincent B [REDACTED]
